

Amendments to the Drawings:

Enclosed herewith are replacement sheets for Figures 1-8.

Figure 1 has been amended in the following ways:

- Substrate 18, described in the specification at, e.g., page 5, lines 14-16, was inadvertently omitted from Figure 1, and has therefore been added;
- Reference numerals 38 and 40 have been swapped to be consistent with the specification;
- Reference numeral 24, referring to the reflector as a whole, has been added; and
- Reference numerals 20 and 22 have been removed.

Figure 2 has been amended in the following way:

- Reference numerals 38 and 40 have been swapped to be consistent with the specification.

Figure 3 has been amended the following ways:

- Reference numeral 57, indicating the convex lens as described in the specification, has been added; and
- The leader lines for reference numerals 56 and 58 have been moved to point to the appropriate feature.

Figure 4 has been amended in the following ways:

- The bottom left reference numeral 44 has been changed to 46 to accord with the specification; and
- Reference numeral 57, indicating the convex lens as described in the specification, has been added.

Figure 5 has been amended in the following ways:

- The leader line for reference numeral 12 has been moved to point to the LED as a whole;

- Reference numeral 29 has been added to point to the LED die, described at, e.g., page 6, lines 12-13;
- A number of dashed lines run from the top left to the bottom right. These lines were confusing and were therefore removed;
- There were a number of vertical lines on the lens. These lines were confusing and were therefore removed;
- Discontinuities in several of the light rays were corrected; and
- Reference numerals 57 and 56 were added indicating the convex lens and cavity, described at, e.g., page 8, lines 18-19 and page 9, lines 4-8, respectively.

Figure 6 has been amended in the following ways:

- Reference numeral 18 has been changed to 28;
- New reference numeral 18 has been added pointing to the substrate, described in the specification at, e.g., page 5, lines 14-16;
- Reference numerals 138, 142 and 144 have been removed; and
- An internal cavity 140 has been added, as described in the specification at, e.g., page 10, lines 16-19.

Figure 7 has been amended in the following way:

- The leader lines for numerals 106 and 108 have been extended to more clearly indicate the top and bottom front surface, respectively.

Figure 8 has been amended in the following way:

- Reference numerals 138, 142 and 144 have been removed.
